Dear Tim,

Congratulations to you and First Presbyterian Church on being certified as a Best Christian Workplace for 2026. This recognition reflects the intentional care, leadership, and effort you and your team have invested in cultivating a healthy workplace culture marked by strong employee engagement.

The testimony of your workplace culture speaks volumes about your organization. It reflects the character of God in how you lead, serve, and care for one another. At Best Christian Workplaces, we support and celebrate you and your staff as you lead in the name of Christ, serving both your employees and those your organization exists to impact.

You are part of a worldwide movement of churches, parachurch and mission organizations, schools and universities, media, and Christian-owned businesses who all set a higher standard for what it looks like to be among the best and most effective places to work.

We are honored to include First Presbyterian Church's name on our website's list of Certified Best Christian Workplaces, along with a link to your organization. You have also received an electronic 2026 certification badge: display it proudly on your website and marketing materials, and use it to celebrate this achievement with your staff.

It is our prayer that you will continue this journey year after year, being equipped and inspired to build and sustain a flourishing workplace culture that honors God and draws others to Christ. God bless you and your ongoing ministry impact.
