Questions for Reflection

1. In light of your experiences during the COVID-19 quarantine, what questions would you ask Abraham about obeying God when he had no idea about where he was going?
2. Abraham's story is filled with all sorts of missteps and even sin. Why do you think God called him "faithful?"
3. What were the promises God made to Abraham? What promises did Abraham see fulfilled? Given this, how do you think Abraham was able to remain hopeful?
4. What do you think Abraham's life teaches us about carrying the burden of not knowing what is going on?
