

Mabel Helen Korbitz went to be with Jesus on February 16, 2025.

Mabel was born June 17, 1927 in Monument CO, the third child of Wilber Forrest & Helen Bennet Fulker. The family moved to Colorado Springs, and Mabel graduated in 1945 from Colorado Springs High School, after which she attended the University of Colorado, receiving a BA & BED in 1950. She was granted a year's Fulbright Scholarship to Perú in 1960-61 and later received a MAT from Stanford University in 1965.

Elementary teaching took her to the San Luis Valley, Colorado; Scottsdale, Arizona; Kentfield, California; Jefferson County, Colorado; and back to Colorado Springs, where she taught in District 11 & District 20.

In 1976 she married her soul mate, Norman Korbitz, who died in 1981.

She was a long-time member of First Presbyterian Church where she was involved in Praise Chorale/Singers, supported Young Life & several missionaries and was a member of the Pathfinders SS Class. She spent many years as a volunteer and docent at Glen Eyrie, doing extensive research into the Glen, and the history of Colorado Springs. Part of this research led her to meet her long-time boyfriend, Jim Edgar, who died in 2019.

Mabel is survived by her nieces & nephews: Jill Jespersen (Don), Joyce Teghtmeyer, Dave Fulker (Nikky Wolman), Tom Fulker (Annie Whitney), Douglas Fulker (Becky) and Hedi Lauffler (Dan) and numerous great & great-great nieces & nephews.
